What have we been learning?

The Christmas festivities have been in full swing this week. We hope you enjoyed our Christmas performances, we are very proud of all the children for their amazing singing and acting. Thank you for coming to our Christmas stall on Monday night and purchasing your child's amazing creations.

In maths this week we have been busy developing our knowledge and skills focusing on 2D and 3D shapes. We have been naming the shapes and properties and comparing, sorting and reasoning about shapes.

In PSHE we will be finishing our jigsaw learning looking at similarities, difference, bullying and friendship.

Next Week

In English we are going to develop our questioning skills, using who, what, why, when and where through role play. We will be interviewing the children from 'The snail and the whale' story.

We will be continuing to applying our knowledge about 2D and 3D shape in maths.

Finally we will be reviewing all our learning from Terms 1 and 2.

Important Dates

Tuesday 17th December - Infants disco will be at 4.45 pm - 5.45 pm
