

## Jet Class Newsletter

It has been an exciting week in Jet Class!

In Science the children have carried out an investigation to find out which material would keep an ice cube, washed up on Hom's island, from melting for the longest time. It was an amazing opportunity for the children to link their scientific knowledge and apply their scientific reasoning.

The children were thrilled to invite you all in for our Journal Share and Parent Lunch on Wednesday. It was a joy to look around the room and see so many happy proud faces sharing their wonderful learning with you!

Key dates coming up:

Thursday 2<sup>nd</sup> April - last day of Term 4

Monday 20<sup>th</sup> April - first day of Term 5

### Coming up next week

In English we will be writing instructions for how to survive on a desert island

In Maths we will be comparing and sequencing units of time

In ICT we will be testing algorithms we have created and debugging if necessary

### Ways to support at home

Reading x 5 a week

TTRS & time tables in blue books

Practise weekly spellings.

**Mathletics task:**  
Days of the Week  
Months of the Year
