What have we been learning?

This week has been another exciting week. On Tuesday we were visited by a storyteller who told us cultural stories. We imagined that we were in an African village. We learnt some folk stories and used different African instruments to keep in time with the big African drum.

In history we have been learning all about Mary Seacole and why she is still remembered today. We learnt about how she had given the war soldiers medicines so we then looked at the purpose of medicines that we need and sorted medicines from other items. We looked at personal hygiene and conducted a hand washing experiment to see the importance of using soap to wash our hands. We created our own hand washing information posters to stick around school.

Next Week

In maths we will be continuing our learning about money and coins. We will be looking at coins that are worth the same amount.

In English we will be introducing the children to our new class text 'Iggy Peck Architect'. The children will be planning their own adventure for Iggy Peck using a storyboard template.

In DT/Art we will be creating be beginning to create our own loom weavings using different coloured wool and threads.

Home learning

This term, for homework the children will have different comprehension challenges. They will be developing the VIPERS skill of retrieve

Please support your child to read the text and then answer the questions, where they will need to retrieve the answers from the text they have read.

On Wednesday 26th February we will be visiting the church. We will need volunteers to walk to the church. If you are available on the 26th in the morning, please let us know.
