15.09.2017

What have we been learning?

We had a fantastic start to the week, with our WOW event and our visit from Jonathan and his jungle animals. Have a look on the school website at some photos.

In Maths, we have been using place value to investigate tens and ones and have been finding different ways to partition two digit numbers into tens and ones.

In English, we were sent an email from Jonathan asking us to help him write a setting description of the jungle he visited in Costa Rica. Our challenge was to use expanded noun phrases to describe what we could hear, smell, see and touch.

Next Week

In English we are writing a riddle ready for our harvest service.

In Maths, we are continuing to explore place value by using the $<$ $>$ symbols.

In Art, we will be starting our mini outcome "Who's hiding in the jungle?" where we will be using the style of Henri Rousseau to create a jungle collage?

Other News

Please could you collect and send in magazines/coloured paper which could be used for our jungle scene collages. Please could these be in school by Monday 25th September 2017.

Your child has now been issued a book on bug club, please allow them time to read it answer the questions.

Don't forget your animal finding homework is due in on Wednesday 20th September 2017.
