What have we been learning?

07.12.18

This week in English the children have been retelling the story of Toys in Space, using noun phrases and co-ordinating conjunctions.

In Maths we have been using blank number lines to add and subtract. We have been counting on or back to the nearest 10 and then jumped the rest.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

Here is a game to help build their fluency with their times tables. By the end of year 2, children are expected to know their 2, 5, 10 and 3 times tables.

Also this week we have been varnishing our Peter Thorpe pictures, ready to sell at the fair. We have also peer critiqued them, using our ruby powers to give constructive feedback.

Next Week

We will be performing our nativity to the school on Tuesday, and to parents Wednesday and Thursday.

In maths we will be continuing to learn different methods to add and subtract and applying these skills.

Important information

Infant Christmas performance

- Wednesday 12th December (9.30 – 10.30)
- Thursday 13th December (2 - 3pm)

Christmas lunch – 12th December
