What have we been learning

This week we have been so lucky to work with Aardman animation to make our very own models of either Shaun the Sheep or Hognob from Early Man. We all worked very hard with the plasticine to mould the shapes to create our characters. We will bring these home soon.

Here are 2 finished

In English this week we have been exploring the poem 'The Magic Box' and have been rehearsing it in groups, using our ELLI powers to work together. We spoke clearly, confidently, and many of us made props and used actions when reading it out.

We have also started our wild, magical meadow this week, by planting our wildflower seeds in our newly soiled bed (Thank you Friends!) We are hoping the wildflowers will grow and attract bees and butterflies, and we will use this in our data handling computing learning next term.

Jet Class Newsletter

Thank you to all those children so far who have brought something in from home to talk about in show and tell. So far this has been a huge success, with children sharing martial arts, poetry, photographs and hobbies. The timetable is below so please check when it's your child's turn as we won't be able to squeeze children in if they forget!

Wb 23.4.18	Wb 30.4.18	Wb 7.5.18	Wb 14.5.18	Wb 21.5.18
