What have we been learning?

This week we have been learning all about the famous hero Grace Darling, on Monday we were treated to a visit from Grace Darling (Mrs Dimery) so we could ask her curious open ended questions to find out why she was famous. We then used all the facts we found out to write sentences about the significant events of 7th September 1838 using the past tense adding -ed endings to verbs.

Our maths learning this week has focused on applying our knowledge of greater/less than numbers to 20 and finding 1, 2, 3 more/less than a given number to 20. We are really enjoying our new Boolean metal maths four mornings a week.

In P.E we have been developing our jumping, bouncing and landing skills using low level apparatus.

Next Week

In English we are writing diary entries imagining we are Grace Darling applying -ed endings to write in the past tense.

In computing, we will be learning about technology in our homes and at school.

In Art, we will be creating the backgrounds to our seascape paintings using watercolours, and then adding layers of acrylic paint and salt using cotton buds and various sized brushes.

Home learning

Mathletics has been assigned today; please support your child to complete the learning.
