What have we been learning?

This week in Jet class the children have been creating their own Bean diary animations using the learn pads. We teamed up with the year 5's so they could support us with the skills we needed to create our animations.

In Writing, we have been recalling facts about our class text Queen Munch and Queen Nibble in the style of a book review. We have recalled the plot, talked about our favourite character and discussed whether we would recommend this book.

In art, we have been choosing different fruit and vegetables to represent facial features for our Archimboldo collage.

Next Week

We will be moving into Japan to develop our geography skills. We will compare Wickwar to a non-European country focusing on the human and physical features of both places.

In writing, we will be writing the ending of the story 'The last Kappa of Japan'. We will be applying all our grammar skills.

In art, we will be continuing to create our fruit and vegetable collages in the style of Giuseppe Archimboldo.

Home learning

We are still collecting donations for our local food bank. Please look at week 1 newsletter to see what is on their wish list.

We will aim to take all donations to them by the end of the month.
