

## Jet Class Newsletter

Welcome back to a sunny Term 5! The children have been fully immersed this week in our new project 'Where is the Magic?' Our learning is inspired by 'Leon and the Place Between' by Angela McAllister. This week the children have 'stepped into the story' by using drama to explore the character's thoughts and feelings. Our project will take us to India and we have started learning about the incredible life of Mother Teresa. The children have been engaged in learning about why we remember her and had ordered the significant events of her life on a timeline. In Maths we have been revising written methods for adding and subtracting and in Art we have been exploring tint and tone.

### Coming up next week

In Maths we will be revising written methods for multiplication and division.

In English we will be writing a character description and applying our knowledge of using commas to separate items in a list.

### Ways to support at home

Reading x5 a week

Mathletics task:

Addition: 2 2 digit numbers with regrouping
