What have we been learning?

We have had an exciting first week back. On Tuesday we visited the Life Bus where we learnt about medicine safety and feelings with Harold the Giraffe. We continued to develop our learning in class, creating 'Helping hands' and learning in small groups to discuss scenarios about medicine safety.

On Thursday we had our Bollywood Wow morning to introduce the next part of our project focusing on India and the text Lily's Garden. We took part in a Bollywood dance class where we were taught Modern Bollywood dancing which is a blend of Indian Folk dance and hip hop. We loved it!

Next Week

In maths we are developing our addition and subtraction skills, learning a variety of written methods and applying them to solve mastery challenges.

We will be continuing to create our own interpretations of Henri Rousseau's Jungle pictures using collage materials.

In English we will be writing character descriptions of our main character from the text 'Lily's Garden'. We will be using noun phrases to describe Lily and organising our ideas into sections.

Reminders

Please check Bug club and Mathletics allocated learning from before half term.

Spellings will be tested on Tuesday, please ensure books are in school.
