

Jet Class Newsletter

In Maths this week we have been using and applying our knowledge of tens and ones to help us subtract. We have been using the Diennes to consolidate our new skills practically. In English we have been writing persuasive letters to Farmer Brown. The animals have been asking for all sorts of items for the farm and threatening to go on strike if he doesn't give in! In Science we have been thinking about what animals need in order to survive. We have differentiated between things we want opposed to things we need. In History the children have been recalling facts from our walk around Wickwar to write about why our House names are: Archers, Brewers, Weavers and Potters. The children were able to retrieve lots of information - well done Jets!

Coming up next week	Ways to support at home
<p>In Maths we will be using a written method to help us subtract.</p> <p>In English we will start to plan and story map an alternative ending to our class text.</p> <p>Class Trip on Monday</p> <p>Please remember to send your child in with a packed lunch, warm clothes, a waterproof coat and wellies!</p>	<p>Reading x 5 a week</p> <p>Mathletics task:</p> <p>Addition to 10, 20 & 50 using number bonds</p>
