What have we been learning?

We have been learning all about Anti Bullying this week in school, we had a whole school assembly which introduced the theme this year 'Make a noise about Bullying'. In class we talked about the difference between Bullying and unkind isolated incidents. We acted out different playground scenarios, thinking carefully about 'making a noise' and not being a bystander.

We read our new class text 'Farmer Clegg's night out' in English and held our very own exciting talent show. The acts were all amazing and very brave for standing up in front of the class to perform, we are very proud of them all. A big well done to Harrison the winner of the talent show with his magic tricks.

In DT we had an exciting lesson tasting a variety of fruits and vegetables, we explored the fruits and vegetables using our senses and recorded our findings. We thought about which items we wanted to use in our fruit/savoury salads. We also developed our technical skills using food processing equipment. We used peelers, graters, scissors, juicers and knives to find out what effect they have on the food.

Next Week

In English we will be writing a character description of Farmer Clegg, using noun phrases and co ordinating conjunctions.

In maths we will be continuing to develop our subtraction skills using numbers to 100, we will be subtracting a 2-digit number from a 2-digit number using the number line method and partitioning.

In DT we will be designing our fruit/savoury salads linking our knowledge from the previous weeks exploring different fruits and vegetable
