What Have We Been Learning?

First of all we would like to say a massive well done to all the children who put on such great performances of Hey Ewe this week.

They pulled it all together for the two show days and we were so impressed by how beautifully they said their lines and sang the songs. We hope you enjoyed the performance and were as proud of them as we were. Thank you for the effort that was put in at home supporting the children with their lines.

In English this week we have started writing an innovated version of Farmer Cleggs Night Out. They included their own new character who performed at the talent show into their stories. It is amazing to see the progress the children are making in their written work in class - well done Jets.

In Geography this week we have been comparing past and present aerial photographs of the school grounds. The children identified the additions to the physical geography of the school and were able to plot them on the older aerial photographs. The children then went on to think about what the school grounds at Alexander Hosea Primary might look like in the future!

Next Week

We will continue to write our stories about Farmer Clegg.

We will be doing an assembly to the rest of Key Stage 1 and Year 3 to share all our wonderful learning this term

Home Learning

Reading 5 times a week

Spelling practice

Please provide a party plate for your child on Thursday 14th December 2023 to enjoy at the KS1 Christmas Party.
