Welcome back to Term 3! We hope you all had a lovely time over Christmas and enjoyed the festivities. We would like to thank you all for the generous Christmas gifts we received.

It has been a fun start to the term with our Explorer Day on Monday. The children looked fantastic and were inspired by our new classroom environment. We had great fun getting creative and using the playpod and PE equipment to build our own islands to explore. The children worked collaboratively and we were wowed by their teamwork and creative thinking.
