## 17.01.2020

### What have we been learning?

On Tuesday, we were very lucky to take part in a session with the Big Foot theatre group. We thought all about Gender Stereotypes. The children thought about the stereotypes they might already know. Lucy, the facilitator of the sessions, was very impressed with the children's attitude and how little they stereotyped things just because of gender- Well done Jet.

In Maths, we have been learning how to use the part whole model to represent different addition and subtraction number sentences.

In English, we completed our first mini outcome 'Can you take a trip down memory lane?' The children loved using the photos from home and we had a great science session before writing our timelines, where the children shared so much knowledge about what is able to happen at different stages i.e. baby, toddler and child etc.

### Next Week

In maths, we will be exploring coins 1p, 2p, 5p, 10p, 20p, 50, £1 and £2. We will also be looking at the different notes we use in the UK. We will also

### Other News

This term, for homework the children will have different comprehension challenges. They will be developing the VIPERS skill of retrieve

be solving problems by choosing the right coins to pay for things.

We will be finding out about a significant person from the past, Mary Seacole, and why we remember her. We will use what we find to help us to think about the purpose of medicine.

In RE, we will be beginning to investigate what is inside a church and what the role is of the different items i.e the font.

In DT, we will be weaving with wool.

Please support your child to read the text and then answer the questions, where they will need to retrieve the answers from the text they have read.

All children have books allocated on Bug Club, if your child does read one of these books. Please record it in their reading record book as this can count as one of their 5 a week reading. If you need a copy of your child's log in for bug club please ask.
