What have we been learning?

We have been authors this week in English. We have written our own problems and resolutions for the story of Tiddler. We thought carefully about using 'and' to extend our sentences, adjectives to describe the nouns and tried to use our word of the week 'escape' in our stories. They sound amazing.

In dance we have been exploring different pirate movement and actions, we have used our ELLI power of learning relationships, as we had to work in pairs and groups. We look like real pirates!!!

In maths we have developed our subtraction skills using sets, tens frames, numicon and number tracks.

Next Week

We can't wait for our trip to the Aquarium on Monday.

When we return we will be writing a recount of our trip using the time conjunctions (first, then, next, after, finally)

In PSHE we will be continuing our Jigsaw learning focusing on 'Being me in my World'.

Home learning

This week the children have been set spelling home learning. The words we have been focusing on spelling in class are WE, ME, SHE, HE, YOU and WAS. The children need to time themselves to see how many times they can write each word in 1 minute. Then choose three of the words and put them into written sentences.

Key Dates

Aquarium class trip – Monday 21st October 2019

Parents evening – Wednesday 23rd October
Thursday 24th October

Open afternoon

Tuesday 12th November @ 3pm
Thursday 14th November @ 3pm

(Please come through the main entrance)

Christmas performances

Monday 9th December @ 2pm
Wednesday 11th December @ 10am
