

Jet Class Newsletter

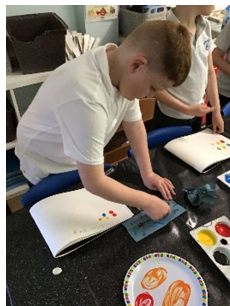

We have had a lovely week enjoying the sunshine!

In English we have been planning our innovated 'Leon and the Place Between' stories. We have chosen our own way of travelling around the Place Between, described who we are going to meet and which animal we wanted to play with.

In Maths we have been revising written methods for adding, subtracting, multiplying, dividing and fractions.

In Art we have been exploring secondary colours, hues, tints and shades using paint.

We are loving our recorder lessons with Sue, she has taught us our first note to play and two songs.

Coming up next week

In Maths we will be recapping shape, time and missing numbers.

We will be writing our innovated stories in English, applying our grammar skills.

In Art we are creating our own polyblock flower prints.

Ways to support at home

Reading x 5 a week

TTRS & time tables in blue books

Practise weekly spellings.

Mathletics task:
Problem solving
