

## Jet Class Newsletter

25.05.2018

### What have we been learning?

It's been another busy week of learning in Jet Class. This week we have completed our mini outcome imaginative stories. We can't wait for you to read them.

In maths we have been applying all the skills we have learnt this year to problem solving and reasoning. We have estimating numbers, exploring fractions, calculating remainders, investigating time and solving missing number calculations.

We baked our Royal biscuits which we designed last week and iced them following our designs carefully.

### Next Week

Half Term next week.

Please continue to read with your child throughout the holidays, complete any outstanding bug club books and practice spellings and times tables.

Have a happy holiday.

### Important information

Puzzlewood trip – Thursday 7<sup>th</sup> June 2018

End of project outcome - Thursday 12<sup>th</sup> July 2-3.15pm  
Please come and join us for our enchanted learning afternoon where you will get the chance to share your child's learning with them.

Please make sure your child has a water bottle and sun hat in school every day for terms 5 and 6.
