

Jet Class Newsletter

A new version of our class test, 'Leon and the Place Between'. The children have enjoyed using their imaginations in their writing to innovate a new setting and character.

In Maths we have been revising how to find missing numbers in a sequence. We have practised sniffing out patterns in the sequences and testing our ideas!

In Science we have set up an investigation to find out what plants need to grow into healthy plants. The children worked in groups to plant seeds and we will monitor the plants' growth over the coming weeks to test our predictions!

Coming up next week

In English we will be looking at the features of letters and planning writing letters to Mrs Williams

In ICT we will be deciding how we can improve digital photos that we take.

In History we will be thinking about the different ways Mother Teresa helped the needy

Ways to support at home

Reading x 5 a week

TTRS & time tables in blue books

Practise weekly spellings.

Mathletics task:
Missing Numbers
