

Jet Class Newsletter

Another great week in Jet Class. In English we have been writing our innovated stories of 'Hom'. We have been applying our grammar skills, focusing on expanded noun phrases and subordinating conjunctions.

In Maths we have been measuring objects using rulers to develop our understanding of length and width.

We are dancing in P.E this term and have started our 'friends' dance. We worked on our partner skills, following a leader, matching movements and turning together in time with the music.

In DT we designed our wind karts and started to construct the chassis using saws and glue guns.

Key dates coming up:

Wednesday 25th March @ 10.45 - Jet Class Journal share followed by Parent/Grandparent Lunch

Parents evening - Tuesday 31st March & Wednesday 1st April

Coming up next week	Ways to support at home
<p>In English we will be completing our alternative story scenes.</p> <p>In Maths we will be telling the time.</p> <p>In DT we will be adding our wheels and axels to our wind karts.</p>	<p>Reading x 5 a week</p> <p>Times tables and TTRS</p> <p>Practise weekly spellings.</p> <p>Mathletics task: Measure - length</p>
