

## Jet Class Newsletter

20.05.22

### What have we been learning?

It's been yet another busy week in Jet Class. The children have been enjoying the warmer weather and we are trying to get outdoors to do some outside learning whenever we can. Practise for Sports Day has begun and the children have been choosing and practising their races.

In History we have been learning all about the history of Wickwar. The children have been learning the significance of why our school house names are Weavers, Potters, Archers and Brewers. We have also been finding who Alexander Hosea was and why our school is named after him.

17.5.22 LO: to understand why our school is named Alexander Hosea

Jets, who was Alexander Hosea and why is he an important person in the history of Wickwar?

Alexander Hosea was a weaver and he lived in Wickwar. He went to London he became rich and he used the money to make a school for boys in Wickwar.

①

In English the children have been using our class book, *The Three Little Wolves and the Big Bad Pig*, to write diary entries from the Pig's perspective. It has been wonderful to see the children so engaged in creative writing and use their imaginations.

In DT we have been working with clay and using our sculpting techniques to create Little Red Riding Hood's basket, one of the Three Little Pigs or one of the Three Bears. The children worked very hard and we're sure you'll agree they look fantastic!

### Next Week

In Maths we will be wrapping up our unit of learning on multiplication and carrying out some 'mini assessments'.

In English we will be introducing editing skills to look at how we can improve a section of our writing. We will be focusing on exciting language choices and using adjectives to make our writing more descriptive.

### Home Learning

Please continue to support your child with their home reading and by practising the new phonics screening sheets that are coming home tonight. These will also be uploaded onto Google classroom

### Important Dates

Sports Day  
Wednesday 6th June
