What have we been learning?

We have had a fantastic first week together in school. It has been wonderful to get to know all of the children and see how keen they have all been to start their learning and show us how brilliant they are! They were all very excited on Monday to come in and see the classroom, which has a sea theme for our project "What is the story of the sea?"

We have been recapping many of the skills that we covered in Topaz class. We have used our phonics and number skills to do some independent learning. On Wednesday, we started our first computing unit with a focus on media skills. We used a paint programme and our challenge was to use the different tools to create a sea creature. Here are a few of them!

Next Week

In English we will start using our class book 'The Singing Mermaid', we will be discussing the pros and cons of joining the circus. We will then write a speech bubble to share an opinion with others.

In Maths, we will be recapping recognising numbers. We will be developing our quick recognition of numbers and representing these numbers using equipment to show the amount.

In PE, we will be starting our first Games Unit where we will be focusing on our ball skills. In our other PE session during the week we will be continuing with our 'streamers' dance.

On Tuesday, we will be having our 'WOW' morning to launch our project with a visit from some local shanty singers. They will be bringing lots of props for us to try, we will be making flags and learning songs- we can't wait!!

Other News

On Monday, we will be uploading our 'meet the teacher' video onto Google Classroom. This will give you all of the information that you will need to know about your child's year in Jet Class.

Thank you to everyone for opening your child's Google Classroom account, we will be continuing to use this as one of our main forms of communication with you.

The Friends committee are looking for new members to join in order to help keep the committee running for our school. The Friends are a huge part of the school and through their fundraising, are able to support us in purchasing items for all of the children to use, without them we would be lost. If you would like to join the Friends, please get in touch with the committee. They are also looking for some volunteers to help at the Wickwar Games on Saturday 25th September 2021.
