

## Jet Class Newsletter

It has been a busy week in Jet finishing off some lovely learning we have done in class this term. The children have written some amazing sequels to our class story 'The Search For The Giant Arctic Jellyfish' and it has been wonderful to see them drawing on their knowledge from other areas of the curriculum, such as Science and History, to help them. In Maths we have been developing our knowledge of fractions of number. In Jigsaw we completed our dream birds in groups and talked about how we worked together as a team.

Coming up next week	Ways to support at home
<p><b>Enjoy the half term break!</b></p>	<p>Reading x5 a week</p> <p>Weekly spellings</p> <p>Learning number facts</p> <p>Mathletics task: Fractions</p>

Key dates coming up:
