### What Have We Been Learning?

Welcome back to Term 3 and a very Happy New Year to you all! We hope you all had an exciting Christmas and would like to thank you again for the generous Christmas gifts you kindly gave us.

Our project this term is led by our big question

Where is the magic?

Our learning will be inspired by the books 'Leon and the Place Between' by Grahame Baker-Smith and 'Lily's Garden of India' by Jeremy Smith. Both books have a strong theme of magic running through them and Lily's Garden of India leads our History and Geography topics.

We think our learning environment looks fantastic and the children's faces were a picture when they arrived in the classroom on Wednesday.

The children enjoyed their WOW Day on Wednesday immersed in our environment and the theme of a magic circus. We spent our time introducing our first class text, 'Leon and the Place Between', practising circus skills and creating a magic trick.

On Thursday the children enjoyed an Art Day where they explored using tints and shades of colours, mixing primary colours into secondary colours and creating wax resistant paintings with watercolours.

### Next Week

In Maths we are finding lines of symmetry in 2D shape.

In English we will be exploring in detail our class story Leon and the Place Between

### Home Learning

Reading 5 times a week

Spelling practice

Check Mathletics for any outstanding tasks
