

Jet Class Newsletter

It has been another busy week in Jet Class!

In Maths we have been focusing on division, using sharing and grouping and applying our knowledge to reason and problem solve.

In Art we have been creating our own natural material sculptures inspired by the famous artist Andy Goldsworthy.

In English we imagined we were Dr Morley from our class text and we wrote diary entries about the day she went searching for the Arctic jellyfish.

Coming up next week	Ways to support at home
<p>In English we will be planning a sequel to our class story The Giant Arctic Jellyfish.</p> <p>In Jigsaw we will be finishing making our birds for the 'Garden of dreams and goals'. We are working on our teamwork skills.</p>	<p>Reading x 5 a week</p> <p>Times tables Rockstars</p> <p>Mathletics task: Multiplication arrays</p>
<p>Key dates coming up:</p> <p>Safer Internet Day: Tuesday 10th February 2026</p> <p>Friendship Day – wear red - £1 donation – Friday 13th February 2026</p>
