

Jet Class Newsletter

9.02.2018

What have we been learning?

Jet class have been writing letters home imagining we are the explorer Robert Scott on his South Pole expedition. We have been using subordinating conjunctions and suffix spelling rules in our letters to improve our writing skills.

In History we have created our own mini biographies about Sir Robert Falcon Scott or Sir Ernest Shackleton. We think they look fantastic!!

We have had a very busy term learning all about famous explorers and we loved sharing our learning journals with you all this week. Thank you for coming in to share our amazing learning.

Next Week

We have sent some half term maths home learning in book bags. Please read the letter attached and support your child to complete their practice paper and bring it back into school by Thursday 22nd February 2018.

Have a lovely half term. See you all in Term 4!

Important information

Remember to practice the times tables over the holidays.

Check bug club and make sure all books that have been allocated have been read by the beginning of Term 4, we do check and comment on children's answers.

SS Great Britain trip – Friday 23rd February 2018

Thank you to all those that offered to help, unfortunately we could only take two parent helpers so picked two names out randomly.
