What have we been learning?

We were very lucky this week to have some special visitors. As part of our learning on British values and helping others we invited some volunteers from Yate food bank. Dot and Sue explained in detail to the children the amazing work they do to help people who need food and support and the children asked lots of curious questions. We will be using these facts to write an explanation text about how the food bank works and writing letters of thanks to Dot and Sue for visiting us.

In Writing, we have been busy writing facts sheets about the precious objects the Queen was presented with on her Coronation day. We used headings, subheadings, conjunction, and questions and organised our ideas into sections.

We have started to sew our Royal felt shapes onto our patchwork quilt square with the help of Anabel's Grandma. She helped us develop our threading and sewing skills. Thank you for your help we really appreciate it.

Next Week

In English we will be writing our thank you letters to Dot and Sue using features of letters, a range of punctuation and a variety of conjunctions. We will also be creating our own music posters all about recorder facts for our recorder teacher who set us this challenge.

In science we will be learning all about healthy eating and food groups.

In maths we will be developing our data handling skills, collecting data and using this to answer questions and think of our own questions all about plants and flowers.

Important Date.

Learning journal share – Tuesday 16th July 2.45-3.15
and Thursday 18th July 2.45-3.15.

Jet class would like to invite you all to a recorder performance on Tuesday 2nd July at 1pm for about 45 minutes in the school hall. We hope you will all be able to make it.

Home learning

For home learning our recorder teacher has set us a challenge to find out 10 good facts about the recorder. Please research at home and write your facts down in your purple book.

For our art learning this term we really need lots of magazines to use to cut up for different pieces of coloured paper. Please send them into school ASAP.

Following our visit from the food bank we would like to request donations to send to them in a couple of weeks. These are the following items on their wanted list:

1 litre fruit juice cartoons
1 litre UHT long life milk
Tinned spaghetti
Pasta and sauce in packets
Long grain rice
Adult toothpaste
Tinned minced beef
Sachets of custard
Washing up liquid
Small tins of potatoes
Jars of pasta sauce
Tinned mushrooms.
