

Jet Class Newsletter

On Wednesday the children were lucky enough to participate in a workshop led by the NSPCC called 'Speak out. Stay safe', we met 'Buddy' and talked about who we can talk to if we are not feeling safe.

In English the children have been reading a range of persuasive letters ready for next week when we are going to write our own persuasive letters to Mrs Willimas to ask if we can have a magician visit us in school.

In Maths we have been revising written methods for multiplication and division and in Art we have been exploring printing techniques using stamps and creating our own polyblock flower prints.

Coming up next week

In Maths we will be learning about capacity and mass.

In English we will be writing our own persuasive letters using a range of grammar skills.

In Art we will be creating our own magic inspired printing polyblock to create a patterned cloak for a magician.

Ways to support at home

Reading x5 a week

Multiplication revision (see your child's book)

Mathletics task: Subtraction and addition problem solving.
