### What have we been learning?

We had a wonderful time on our school trip to the SS Great Britain last week, we learnt lots of new facts and got a really good insight to what life was like on board the ship both in 1<sup>st</sup> class and 4<sup>th</sup> class. We had an amazing workshop where we got to handle real artefacts from the ship, dressed up as passengers and even created our own pictures using quell pens. Our tour guide said that we were brilliantly behaved and definitely in the top 5 groups he had ever shown around!!

This week we have been applying our grammar skills in our writing, we have been writing recounts of our trip and diary entries imagining we were passengers on board the SS Great Britain. In DT we have started to construct our SS Great Britain trolleys as one of our Mini outcomes developing our wood work skills using saws and glue guns.

In music we were lucky enough to have the Frampton Shanty men come into our class to teach us some sea shanties. It was a fantastic afternoon and we have now started to write our own sea shanties.

### Next Week

In maths we will be describing 3D shapes and their properties along with symmetry. We will also be developing the children's understanding of fractions.

In DT we will be joining our axles and wheels to our trolley chassis and adding extra parts from our designs.

Due to the times tables books not coming home until Monday due to the school trip, I will be giving the children until next Thursday (8<sup>th</sup> March) to practice.

### Important information

If anyone is available to help us on a Monday we really need someone to help test the children on their weekly spellings. Please see one of us if you are able to help.

We also need volunteers to do some biscuit baking with the children on Monday 12<sup>th</sup> March. If you are free in the morning or afternoon please let us know.

End of project outcome - Wednesday 14<sup>th</sup> March – please come along to our coffee morning to raise money for the upkeep of the SS Great Britain. We will be displaying the children's learning from mini outcomes and hopefully performing some of our sea shanties for you.

Parents evening - Please make sure you have signed up for parents evening.

Wednesday 21<sup>st</sup> March  
Thursday 22<sup>nd</sup> March
