What have we been learning?

This week we have been busy writing newspaper reports about the Indian Holi festival. We became journalists for the week, reporting on the main events and traditions.

We have completed our Henri Rousseau jungle collages and can't wait for you to see them on sale at the Christmas fair. We have also been making reindeer sweet jars developing our skills using tools including glue guns.

In maths we have been applying our addition and subtraction skills to solve reasoning challenges.

Next Week

Next week in maths we will be continuing to develop our addition skills.

In P.E will be continuing to practice our Bollywood dance ready to perform to the school.

In ICT we will be completing our PowerPoints about India ready to email home.

Important information

Please could you send Miss Pursey your email address so that she can email you your child's mini outcome PowerPoint about India. We would like you to share the PowerPoint together at home and then email Miss Pursey back with feedback.
