Our non fiction books will be Look what I Found on The Farm (National Trust) by Moira Butterfield & Jesus Verona, A Year on Adam's farm by Adam Henson & Rachel Saunders, Farm by Ned Halley

To immerse our learning we will have green and blue drapes and field backdrops to create the countryside landscape surrounding Wickwar. We will have a greenhouse in the classroom to represent the allotments in Wickwar and to support our Science topic on plants. We will include some of Wickwar's most prominent landmarks such as the Clock Tower and the Electric Oak.
