To investigate what plants, need to survive. To observe and describe how seeds and bulbs grow into mature plants (Term 4).

Maths – Fractions, Measurement (length and height & mass, temperature and capacity) Time, Statistics, Problem Solving using the four operations and Position and Direction.

## Where is the magic?

In Term 1, our class text will be 'Leon and the Place Between' by Grahame Baker-Smith.

In Term 2, our main text will be 'Lily's Garden of India' by Jeremy Smith; we will also be studying the poetry of Kit Wright. We will be researching India by exploring a range of nonfiction texts (India, Incredible India) and Little People, Big Dreams Book on Mother Teresa.

To immerse our learning environment in Terms 3 and 4, we will be creating a magical journey which will include a circus tent and stage inspired by our first text 'Leon and the Place Between'. We will also have a magical garden filled with plants, an enchanted garden backdrop and twinkle lights which will immerse children in the story of 'Lily's Garden of India'. To inspire curiosity when learning about India we will have a Taj Mahal backdrop and patterned drapes made in India.

Project launch:					Project Outcome.
Circus skills morning	<b>What will we print?</b> Printing a magician's cape.	<b>Where will it take us?</b> Innovate the story 'Leon and the Place Between.	<b>Why is this person remembered?</b> Create a poster about Mother Theresa	<b>How can we change this picture?</b> Alter a digital image using tools.
