Science- Plants: to investigate what plants, need to survive. To observe and describe how seeds and bulbs grow into mature plants

Maths – Revision of the four operations, missing number problems, using the inverse, statistics, measure – capacity, describing position, time

Where is the magic?

In Term 5, our class text will be 'Leon and the Place Between' by Grahame Baker-Smith. In Term 6 our focus text will be 'Lily's Garden of India' by Jeremy Smith. We will also be studying the poetry of Kit Wright. We will be researching India by exploring a range of nonfiction texts ('India', 'Incredible India') and Little People, Big Dreams Book on Mother Teresa.

To immerse our learning environment in Terms 5 and 6, we will be creating a magical journey which will include a circus tent and stage inspired by our first text 'Leon and the Place Between'. We will also have a magical garden filled with plants, an enchanted garden backdrop and twinkly lights which will immerse children in the story of 'Lily's Garden of India'. To inspire curiosity when learning about India we will have a replica Taj Mahal and Indian inspired patterned drapes.

Project launch:					Project Outcome.
Bollywood Dancing	What will we print?	Where will it take us?	Why is this person remembered?	How can we change this picture?	Learning Exhibition and Parent Coffee morning to support Action Aid
Indian Food tasting session	Printing a magician's cape.	Innovate the story 'Leon and the Place Between.	Create a poster about Mother Theresa	Alter a digital image using tools.
