

Jet Class Newsletter

This week in Jet Class we have been imagining that we were Lily from our class text and writing detailed diary entries applying our grammar skills.

In maths we have been problem solving using the division methods of sharing and grouping. Last Friday in P.E the children thoroughly enjoyed their football session, they developed their striking, dribbling and passing skills. In Geography the children have been comparing Mumbai and Wickwar, identifying the human and physical features of both places.

Key dates coming up:

Red Nose Day - Friday 15th March

Recorder Assembly - Tuesday 26th March 2.50-3.15

Parents evening - Tuesday 26th March & Wednesday 27th March.

Learning exhibition during parents evening - Tuesday 26th March & Wednesday 27th March.

Jet Class Easter biscuit sale - After school on Tuesday 26th March

Coming up next week	Way to support at home
<p>In English we will be writing instructions on how to grow a marigold plant.</p> <p>In Maths we are learning about commutativity and fact families for multiplication and division.</p> <p>In P.E we are creating dances based around friendship.</p>	<p>Please practise double numbers to 20 mentally with your child.</p> <p>We are having a big push on the spelling of common exception words in class. Please support your child to practise any words they are finding tricky to spell. You can find the list of words on google classroom or ask us if you would like a paper copy.</p>
