What have we been learning?

23.11.18

This week in English the children have been authors and have all worked incredibly hard to redraft and publish their letters to Tim Peake.

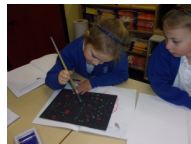

In Maths we have been consolidating our measure and number facts to 10 and twenty with reasoning and problem solving.

For homework this week please can you work with your child to add coins up and give their value.

Here is a game we played in class and the children wanted the link. It's a great way to build on their number facts to 20. For those more able, see if they can make the total by adding three numbers!

Also this week we have been painting our backgrounds and experimenting with oil pastels and coloured in our rockets for our Peter Thorpe space pictures.

Next Week

We will be celebrating our hard work on Monday at our coffee morning. Please come and join us.

In maths, we will be looking at addition and subtraction using tens and ones.

Important information

Our coffee morning will be on Monday 26th November at 10am. This will be an opportunity to see your child's work and share their learning.

We are also asking the children to bring a toy to

Jet Class Newsletter

In English, we will be planning our own stories based on our class text, Toys in Space.

In art, we will be continuing our space pictures based on Peter Thorpe.

donate. We will collect these and give them to a local charity shop. This links with our story –Toys in Space.

If you are able to help set up please let us know.

Christmas fair: 7th December

Christmas performance am: 12th December

Christmas performance pm: 13th December
