

Jet Class Newsletter

03.11.23

What have we been learning?

It has been a busy week in Jet Class and a great start to the new term. The children have been sharing their experiences of Halloween and are looking forward to bonfire night.

On Wednesday morning we had an exciting visit from Helen from the Dogs Trust, she told us all about the dogs trust in an assembly and then came into Jet Class to run a workshop to help us understand and be aware of the 5 happy dog rules. The children enjoyed meeting Helen's toy Jack Russell 'Daisy'.

We have been completing our cross curriculum writing this week all about Wickwar in the past. We have been presenting our knowledge on a fact sheet, including information about the gas explosion, jobs in Wickwar in the past and Alexander Hosea.

We have been evaluating our dance skills from Term 1, thinking about our movements, body shapes, rhythm and partner work.

Next Week

We will be starting our DT learning all about preparing fruit and vegetables. We will be exploring a range of different fruit and vegetables using our senses. If your child has any allergies to any fruit or vegetables please let us know by Thursday next week,

In Maths will be moving onto subtraction, starting with subtracting multiples of 10 from a two digit number. We will use manipulatives and the number line method.

In P.E we will be starting gymnastics, we will be focusing on travelling and balancing on different parts of our bodies high and low.

Home learning

The children had an assembly with Miss Clark on Thursday introducing the new reading raffle tickets, your child will receive a raffle ticket each time they read 5 times a week. Each raffle ticket will be placed in a box and a lucky winner will be chosen at the end of the term, Please support your child to read 5 times a week.

Important Dates

Friday 24th November - Non uniform day (chocolate donations for the Christmas fair)

Friday 1st December - Friends of AHS Christmas Fair

KS1 Christmas Performances

- Tuesday 5th December @ 9.30am
- Thursday 7th December @ 2pm

Now that the weather is changing please make sure your child has a coat in school for break times as they will be going outside even if it is raining.
