

## Maths

You are planning a summer event for your family and/or friends.

You will need to list of food items and calculate the cost for the total number of guests you will have.

You will also need to create a timetable of events, making sure everyone can take part in each event.

Is there magic in the air?

## English

Think about Year 5 and the experiences you have had. Write a recount of your favourite moment/project/experience. You can choose the genre you write this in e.g. you could produce a newspaper report, write a letter to tell someone else about your experience, a diary entry etc.

Tell your teacher about the home learning you have been doing.

# Home Learning Grid – Term 6

## Pearl Class

Remember to read 5 x a week!

Term 6 – home learning due on Tuesday 17<sup>th</sup> July. Home learning will be shared in and between classes this term.

### Science and Technology

#### Science:

Explore gravity and air resistance. Drop some objects (some large, some small, some light, some heavy) and investigate how long they take to fall. What do you notice? What effects do gravity and air resistance have on the objects?

You can present this as a video, with photos or through drawings and written explanation.

### The Arts Art, DT & Music

#### Art:

Applying the skills you have been taught, create a piece of artwork to represent an aspect of the Arctic (e.g. a snowy scene, the Northern Lights, an Arctic animal...). You could use collage, perspective drawing or painting techniques.

### The World RE, PHSE, History, Geography & PE

#### Geography:

Compare the physical geography (climate, mountains, rivers, landscape) of a country in the Arctic circle with a country in South America. Present your learning in your chosen way.

-  **Ruby** – being aware of others and how what you do or say, might make them feel
-  **Emerald** – bouncing back from mistakes and disappointment, and controlling your anger if it tries to get out!
-  **Sapphire** – keeping focused and staying in control of the monster distractions
-  **Diamond** – being able to notice a problem and thinking of ways to

Which gem powers have you used?
