

Pearl Class

Newsletter

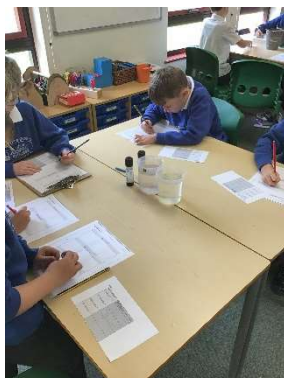

Geography Climate change – Following on from our workshop the previous week, we have been learning about Greta Thunberg and others who take action on Climate Change.

Science- We continued our learning on Forces this week, this week our focus was on Water Resistance. The children enjoyed investigating this and looking at the best shapes to move quickly through water.

Maths – We have moved on to rounding and decimal place value this week.

English – The children have been writing a diary entry for the girl in our class book.

Theatre Trip – The whole of the Juniors enjoyed an exciting trip to the theatre. The children's faces were a picture as they watched the fantastic, dazzling production of Lion, Witch and the Wardrobe!

Coming up next week
Learning focused

Way to support at home (home learning)

Geography – Climate change
Maths- decimals and negative numbers.
English –story mapping
Science – Forces
Music-Motown
P.E – Football and dance
Art – Drawing to create movement.

Home learning for the Autumn Term:
For your homework, we would like you to research a part of the universe of your choice. You can present your research in a range of formats - the choice is yours but we'd love to see your creativity. Be prepared to present your research to the class!
Due date: Monday 1st December 2025

Key dates coming up:

30th September – Harvest Festival at the church

14th October – KLB activity day 9am – 2:45pm
