Dear Parents/Carers

YEAR 5 KLB TASTER DAY TUESDAY 22 MARCH 2022-AVAILABLE TO ALL CHILDREN NOT JUST FOR THOSE PLANNING TO ATTEND KLB

Year 5 children have been invited to spend a day at Katharine Lady Berkley School on Tuesday 22 March to experience a typical day at secondary school. The lessons will offer enrichment opportunities for the children in language, art, science and PE subjects. We expect all children to attend whether or not they intend to go to KLB next year. We are asking parents to transport their children in their own cars on the day. Miss Edgar will meet your children there and spend the whole day with them.

The day will start at 9am with a short welcome talk in our drama hall, followed by a language lesson, break, science lesson, art lesson, lunch, games lesson and summary/Q&A session in our drama hall. **The day will end at 3.15pm.**

Pupils should report to KLB main reception before 9am where they will be signposted to our main hall and registered by Miss Edgar. At the end of the school day, Miss Edgar will match children with parents to go home. It is their current Covid policy to wear facemasks in corridors and for students to sanitise their hands when entering and leaving buildings at the stations provided in our school. Staff will accompany the students around the school and indicate where the sanitising stations are located. Students can bring their own hand gel, if preferred.

All pupils will need to arrive at KLB School in their sports kit (shin pads and mouth guard if you have them) a facemask, packed lunch, drink, snack, **inhaler (if required)**, pencil/pen, paper and be suitably dressed for the weather.

Kind regards

Mrs McNeill

Administrative assistant

.....
