What to bring/not to bring...

- Kit list to follow – due to the time of year, layers would be a good option!
- Wellies are good for the beach walk to go into the rock pools.
- Torch (useful for finding way around camp at night but there is a large floodlight in the middle of the cabins)
- No electronics (mobile phones, tablets etc.)
- Please do not pack additional snacks (they will not need them!)

Implications of Covid19

- A full risk assessment has been completed by Kilve Court and will be updated prior to our visit.
- Cleaning of surfaces and areas commonly used increased.
- Handwashing – this has always been a part of our days at Kilve but will be increased.
- Equipment used by groups will be disinfected and/or quarantined so only children from our 'bubble' will be using it.
- Only our class will be using the Outdoor Centre during our stay so will not be mixing with other groups.
- Outside most of the time during our visit
