This week we have had an art focus with our final art pieces being completed and work on our Christmas Fair creations continuing. We have been working hard with Mrs Gee, focusing on 3D drawing skills over the past two terms and have produced wonderful artwork combining a 3D space related drawing and a painted background.

In English this week we have been finishing writing and editing our Varmints stories and next week we will be using the theme of environmental change to debate and write balanced arguments. In Maths we have begun to learn about multiples and will continue this next week along with factors and prime numbers.

Reminders:
