

PEARL CLASS NEWSLETTER

Friday 13th September 2019

WOW DAY – What a fantastic sight it was to take register amongst so many aliens and the children stayed in role for the whole morning. The idea of the morning was to immerse the children into an imaginary world where they used Playpod to build structures and then create scenarios /adventures.

We have also been researching information about The Solar System .In order to help remember the names and the position of the planets; we went outside and learnt it in a kinaesthetic way first.

- Spellings have been sent home and children will be tested on Friday
- Mathsletics tasks will be set on Monday
- Practise times on Timetables Rockstars
- Read at least 5 times this week
