

# Pearl Class Newsletter

This week we have been learning about the Roman army. Developing and applying our research and note-taking skills, we have produced informative and persuasive leaflets.

Next week we will begin to learn about the spread of the Roman Empire and the invasion of Britain.

In Maths we have been working on Roman numerals, reading and writing numbers into the thousands. Making links with Roman life, we will become architects, working with villa floor plans, calculating area and perimeter.

## Home Learning

- TTRockstars – it is important to keep up quick recall of multiplication and division facts. Try to have several short sessions of TTRockstars a week.
- Reading – remember to read 5 x a week, with at least one session reading aloud.
- Mathletics – weekly activities set to link with the learning in class.
- Spellings – we will be working on spelling in class over the coming term, investigating rules and patterns. Occasionally, spellings will be sent home for consolidation.

## Jigsaw

This term's Jigsaw theme is relationships. We will be focusing on friendships, self-esteem and online behaviours. Mrs Windmill has added a document from Jigsaw about the Relationships, Health and Sex Education (RHSE) aspect of the curriculum, which is now mandatory, to the website. It outlines what aspects of the curriculum are covered in which year groups and gives an overview of the progression.

<https://www.alexanderhoseprimary.co.uk/site/data/files/doc/C11AD899EAB799D9DD8A2550CC1EBDCC.pdf>

In term 6, our Jigsaw unit will be Changing Me where we will revisit and expand on our learning about puberty and sex education. More details of what will be covered will be shared nearer the time.

## Kilve Court

Please can all forms be returned as soon as possible.

An updated PowerPoint video with further information about the trip has been uploaded to Google Classroom. If there are any questions or if you would like to discuss anything, please get in touch.
