Pearl Class Newsletter

We had a brilliant secondary school taster day at KLB on Tuesday, taking part in different lessons and having a tour of the school. In our language lesson, we were practising greeting each other and expressing our preferences in French. In Science, we completed exciting and explosive experiments. Using watercolour paints, in our art lesson, we created wonderful colourful beetle paintings. Our final lesson of the day was PE where we played hockey. The children were fantastic and thoroughly enjoyed the day.
