With Christmas looming it has been a busy week preparing for the fair and for our performance. Whilst all of this has been going on, we have also been making great progress with our sensory garden.

Plants have been added, signs made and tyres painted. Hopefully we will be installing a fence and archway in preparation for the grand opening next Friday as well as putting together the final touches.

In addition to the actual gardening we have been writing leaflets to advertise the garden applying computing skills through our use of Microsoft publisher.

We really hope you can join us on Friday 8th December for our grand opening from 9.30 until 10.15am. We will be serving mince pies and a warm drink while you wander around the garden and look at all the learning.
