

Pearl Class Newsletter

Term 3

English: The children have designed their own mythical beast and have written a non-chronological report on their beast.

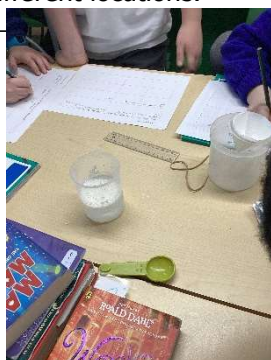

Maths: Conversion between improper and mixed numbers. Calculating equivalent fractions.

Science – Investigating mixtures with soluble and insoluble solids. Exploring different methods we can use to separate them to get original materials back.

Art – Children have designed their printing tile and started to mark out their design on the Polystyrene.

History – This week we have explored how the Mayan people developed cities and the key elements found across different locations.

Filtering to
separate insoluble
solid from liquid.

Dissolving soluble
solid and setting up a
petri dish to allow for
evaporation of the
liquid.

Coming up next week
Learning focused

Way to support at home (home learning)

Maths- Ordering fractions
P.E – Volcano dance and Hockey
Art- Printing first layer of the print
