Pearl Class Newsletter

It has been a busy couple of weeks in Pearl class, with lots of exciting visits happening too.

After looking at all the different operations separately this term, this week we have been using all four operations to solve problems. Children are showing great application of the skills we have been learning.

In English this week, we have been busy writing our persuasive Fair-Trade leaflets, these will be given out with our biscuits at the after-school sale on the 6th December.

Last Friday, we went to the Life Skills Centre visit. We had an excellent trip to Life Skills and the children were always so well behaved and well-mannered. They engaged with the hazardous scenarios well and developed confidence in how to ring for emergency services and deal with real-life situations. The volunteers praised all the children very highly. See photos below.

The children shared their DT home learning this week – all looked very impressive, and they should be ready for our baking next week now!
