

Pearl Class Newsletter

Term 2

D/T – We have started our D/T project by exploring toys and models that have gears. The children thoroughly enjoyed using Lego Technic and cog boards to make and explore system of gears!

Science- This week we were exploring the evidence for the Earth being Spherical, whilst also looking at the Flat Earth theories of the past.

English – Our Class Book is called – Story Like the Wind. We have had great fun acting out the first section of the story and exploring the metaphors and personification used in the text.

Maths – The children have been excited to get their teeth stuck into some Long Multiplication this week! We will also be continuing next week to make sure they have secured the method.

Coming up next week
Learning focused

Way to support at home (home learning)

Geography/ Science- Day and Night

Maths- Multiply numbers by single and 2 digit using formal methods of long multiplication.

P.E – Small Team Games and Gymnastics

D/T – Cogs and gears

English- Genre: Narrative
Book: A story like the wind.

Home learning

Space project is due in 1st December, feel free to send in earlier if they have finished before then.

TTRS- I have asked all the children to make sure they are doing TTRS each week as we are in our multiplication and division unit in Maths, it is very tricky if they don't have a quick recall.

Key dates coming up:

10th November – Anti-Bullying workshops

13th and 18th November – Year 5 Pedestrian training (with the road safety team in Wickwar)

21st November – Techniquet Trip, Cardiff.
