

# Pearl Class Newsletter

26.10.18

This week we had our termly 'Supersonic' awards assembly where a member of each class is nominated as a 'Supersonic' learner and citizen. From the nominations one child from each phase (infants and juniors) is chosen to win the citizenship cup for the term. It was wonderful that the overall winner of the junior citizenship cup came from our class! I'm looking forward to seeing who next term's nominee could be.

It was lovely to see many of you at our homework share this week. I was extremely impressed at the quality of homework produced and look forward to seeing this continue throughout the year.

In English this week we have been writing poetry using metaphors to describe different aspects of space. These have been beautifully illustrated ready for display in the classroom. In Maths we have begun to learn long multiplication method which we will continue with after term.

It has been a busy but successful first term of Year 5 and I hope you have a restful and enjoyable half term break.

## Reminders:

- Read at least 5 times a week
- Practise times tables
- Mathematics homework
- Learn spellings
