

Pearl Class

Newsletter

Climate Change and Energy Workshop – On Tuesday the children enjoyed our morning's workshop with the team from the Centre for Sustainable Energy. They learnt about Climate change, what the impacts are and used local maps to plan some ideas and actions for the future.

Science- We continued our learning on Air Resistance this week, reflecting on our rockets from last week's rocket launch and investigating the effects on paper spinners.

Maths – We have continued our learning on Place Value, looking at real life problems and plotting numbers on a number line.

English – The children have been writing descriptions for the two main characters in the book.

Coming up next week
Learning focused

Way to support at home (home learning)

Geography – Climate change workshop
Maths- rounding numbers
English – writing setting descriptions and story mapping
Science – Forces
Music-Motown
P.E – Football and dance
Art – Designing Christmas cards

Home learning for the Autumn Term:
For your homework, we would like you to research a part of the universe of your choice. You can present your research in a range of formats - the choice is yours but we'd love to see your creativity.
Be prepared to present your research to the class!
Due date: Monday 1st December 2025

Key dates coming up:

17th September – School Trip (Junior classes) to the theatre to see Lion, Witch and the Wardrobe. Please bring a drink and a snack. We are leaving after lunch and will return 5:45 – 6pm.

30th September – Harvest Festival at the church

14th October – KLB activity day 9am – 2:45pm
